SO-CALLED "JEWS" COINED THE TERM "ANTI-SEMITISM" AS A SMEAR-WORD; AS SMOKE-SCREEN FOR COMMUNISM!

**FREEDOM OF SPEECH AND FREEDOM OF THE PRESS ARE CONSTITUTIONAL RIGHTS;
THE EQUAL RIGHTS OF ALL CHRISTIANS TO BROADCAST ALL NEWS AND ALL VIEWS
ABOUT SO-CALLED "JEWS" UNCENSORED BY FEAR OF AN "ANTI-SEMITISM" SMEAR!**

**"Anti-Semitism" the smear-word, the world's most meaningless, most misunderstood and most misused term;
coined as their smear-word by so-called "Jews" in 1880's for sole purpose of smearing Christian resistance,
defense against "revolutionary activity" by so-called "Jews" as "spearhead" of communist world-revolution;
now their smear-word weapon for character-assassination of those who expose or oppose their "activities"!**

By Benjamin H. Freedman

Unsuspecting Christians find themselves today the victims of a great deception, which is without an equal in all the recorded history of civilized mankind, as a sinister and sordid betrayal. The purpose projected for this deception is the ultimate substitution of communism for Christianity, wherever Christianity is practised in this world today. If the aim of this deception is realized in full, it means that Christianity will be forever eradicated from the face of this earth, and the name of Jesus Christ will be blotted from the mind of Man in perpetuity. That is the price Christians will pay for their ignorance, and the penalty they will suffer for their indifference, to a deception which threatens to extinguish the light of Christianity for all time. It may soon be too late to turn back the clock of history.

It has long been planned by so-called "Jews" to achieve this objective by relentless use of the term "anti-Semitism" as a lethal weapon for the character-assassination of Christians who come to the defense of Christianity in this life-and-death struggle for survival against communism. Their monopolistic control of the media of mass-communication by so-called "Jews", the newspapers, magazines, radio, television and motion pictures, gives so-called "Jews" the power to ruin Christians, by smearing them as "anti-Semites." The fear of that smear terrorizes Christians. The "anti-Semitic" smear wreaks political, economic and social havoc in the lives of Christians, more cruel than the most sadistic physical torture.

It must be made clear to Christians that the world's greatest authorities on the history, theology, philology and etymology of the term "anti-Semitism" are in unanimous agreement that the term was conceived as a fraud upon the Christian world. They characterize the use of the term "anti-Semitism" as a dangerous distortion of historic fact. They feel certain if any advertiser misrepresented his product, to the extent so-called "Jews" misrepresent the term "anti-Semitism" in the media of mass-communication monopolized by them, the Federal, State or local authorities would soon have the guilty party behind bars,

under the laws for the protection of the public against fraud.

MOST MISUSED TERM

Christians in all walks of life must be alerted that the term "anti-Semitism" is the world's most misleading, most misunderstood, and most misused term. It was coined as a smear-word in the 1880's by so-called "Jews" as a device to conceal from Christians their sole responsibility for the existence of communism. Christians were brainwashed by so-called "Jews" to believe the term "anti-Semitism" defined an unjustified dislike by Christians for so-called "Jews", based only upon religious differences, and allegation that Jesus Christ and so-called "Jews" were both "Semites."

SPEARHEAD OF COMMUNISM

The term "anti-Semitism" was intended as a smoke-screen to conceal from Christians responsibility of so-called "Jews" for the origin, organization and operation of communism. The *Encyclopaedia Britannica* characterized so-called "Jews" as the "spearhead" of communism from its birth. After the most extensive investigation into the origin of communism, *Encyclopaedia Britannica* research uncovered the fact that the

"energy" of their "revolutionary activity" made so-called "Jews" the 'spearhead' of communism's first effort to implement Karl Marx's program for world-revolution. In all editions of the *Encyclopaedia Britannica* since that discovery, including the 1960 edition, the *Encyclopaedia Britannica*'s history of the origin of communism makes the following reference to so-called "Jews":

"They ["Jews"] engaged in revolutionary activity on a large scale, and their ["Jews"] energy made them the spearhead of the Party."

The history of the origin of communism from which the above quotation was taken, was written for the *Encyclopaedia Britannica* by Harold J. Laski, himself a so-called "Jew," and the world's foremost authority on the history of communism, resulting from a lifetime of close personal identification with communism. At the time Laski wrote this history of communism for *Encyclopaedia Britannica*, it was owned by Julius Rosenwald, himself also a so-called "Jew", of Sears Roebuck & Co. of Chicago fame and fortune. Under the circumstances, the *Encyclopaedia Britannica* would not have published the above quotation, unless it was founded upon fact, and approved by Rosenwald and Laski at the time the Soviet Union was pictured by them as a "Utopia" and a "workingman's paradise." It is a tribute to *Encyclopaedia Britannica*'s reliability that they continue to publish that historic fact when altered circumstances must now embarrass so-called "Jews."

Furthermore, the Library of Congress contains thousands of domestic and foreign newspapers, magazines, religious periodicals, documents, records and books dealing with communism, published between 1917 and 1945, supplying confirmation that leading so-called "Jews", in all walks of life throughout the world, demanded recognition for exclusive authorship of communism, and for establishing the first communist government in history, the Union of Socialist Soviet Republics in Russia in 1917, as a showcase for the world to see communism at work. Their pride of authorship for the rise of communism to world prom-

DOMINICAN REPUBLIC - ONLY FRIEND IN CARIBBEAN

By Santiago Rey
(Former Cuban Minister of State)

International Communism, victorious in Cuba, consolidated through force and terror by the bloody regime of **Fidel Castro**, now looks towards the Dominican Republic as its immediate objective.

This anti-Communist bulwark in the Caribbean, more than an insurmountable obstacle to progressive red infiltration in the Hemisphere, has become an irritant to the overall hierarchy of the Marxist doctrines by virtue of the virile, brave and decided attitude adopted before the Americas by the great leader of that country, **Generalissimo Rafael Leonidas Trujillo Molina**.

For this reason, now that Cuba has become the first satellite the Russians have in the Americas, the Government of the Dominican Republic, and her insuperable leader, are the focal point for their attacks; allowing them to prove to the rest of the Latin American nations that Red activities, gradually, though relentlessly, are being successfully carried on by the blind slaves who obey the orders of their lords and masters in Moscow.

In the same way as happened in Cuba, now, at this moment, a section of the press and radio, though not Marxist, is playing, into the hands of the Russian agents. And, with a mixture of naivete and stupidity, they are falling into the trap of facilitating their propaganda and dissemination media for use against the Dominican government without it occurring to them that they are backing the Bolshevik cause and fighting against the most outstanding and impregnable anti-Communist fortress throughout the whole of the Caribbean.

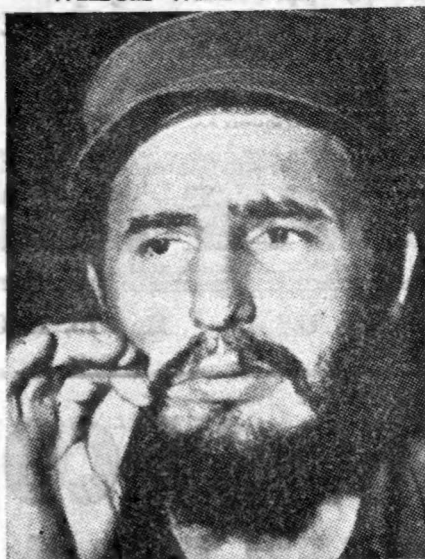

The Dominican Republic, which is assaulting no one, and which only aspires to live in peace with other nations, is imperturbably withstanding all these mendacious and insidious campaigns; it has beaten off, in an exemplary manner, several attempts at invading its territory; and it will continue, inspired by the leadership of its guide and mentor, **Generalissimo Trujillo**, to perform fully the historic mission God has given to it at this moment of decision for the world. Luckily for the nation, the firm hand of **Generalissimo Trujillo** will continue, with that energy that characterizes it, to steer the ship of state through rough and difficult seas in which the audacity and the aggressiveness of the Reds contrast most clearly with the incomprehensible timidity and inexplicable vacillations of the nation representing the great antagonistic force.

The flourishing economy of the Dominican Republic, its magnificent transformation, the solidity of its institutions, the development of its wealth, the stability of its political regime and its permanent advance post in the universal war against Communism, are things that the service minions of the Kremlin are not disposed to tolerate. It is for this reason that, against this nation and against its guide and symbol, **Generalissimo Trujillo**, plots are hatched, crimes planned, invasions attempted and an adverse public opinion created by means of lies, slander and defamation.

As a slight, though expressive, example of the nefarious publicity campaign that is being carried on, it is worth placing on record how, as the result of a frustrated plot against the powers of the State, and because of the arrests carried out (as is only logical in such cases), there have appeared news items in the papers, and loud voices have been heard over the radio, with that insistence which proves the insincerity and bias of their origin, giving tongue to hypocritical lamentations by reason of the number of arrests made.

And yet, not a word is said about the twenty thousand political prisoners, heaped together and hungry, in tunnels, cellars, and medieval prisons, ill-treated, tortured, mutilated and murdered in Cuba. Do the

dramatic denunciations published by the families of these Cuban prisoners, unfortunate victims of the sadism of their unscrupulous jailors and of those who torture for pleasure, not rouse compassion and horror? Does it mean nothing? Is not indignation aroused by the affronts suffered by these families and, particularly, by the wives of these prisoners, when they attempt to see them or to ask about them?

Take any month of those that Cuba has been suffering **Castro's tyranny**, and look at the list of prisoners and people arrested, published by Castro's press itself, and you will see the amazing number there have been. And yet, this fact does not appear to have moved any sensitive soul, to have caused any voice to be raised in protest, nor to have disturbed the peaceful sleep of those composing the **UNO's Committee on Human Rights**, nor even to have produced words of warning or mercy on the part of shepherds of souls. Nor does the democratic press and radio make mention of the monstrous crimes being perpetrated in the largest of the islands of the Caribbean.

YOUR EDITOR—

Conde McGinley, is in the hospital — too long hours — too much strain — hence our correspondence will suffer. Please bear with us and remember him in your prayers. Any help you can give us now will be appreciated.

His son, Bill

Rather the contrary is the case, a culpable silence has been kept about the death of **Lieutenant Jose Castano**, the most useful, intelligent and prepared of all the Cuban anti-Communists, murdered in cold blood by **Che Guevara** in a prison cell in the **La Cabana fortress**. And no one speaks of the unjust imprisonment, of the oppression, of the torture to which is subjected the brave and brilliant newspaperman, the Hemispheric leader of anti-Communism, **Ernesto de la Fe**, whose forehead was severely cut as a result of a gun whipping from one of his infamous jailors, leaving a deep and permanent scar. And they continue to torture him, mixing the insufficient and miserable food they give him with all kinds of offal and filth, as **Ernesto de la Fe** himself reported on an occasion when he was able to escape the vigilance of his jailors.

Complete silence is maintained regarding the continual and public slights to which **Castro** subjected **Ambassador Bonsal**, the diplomatic representative of the United States, by not receiving him nor attending to him, in complete contrast to his servile adulation of **Mikoyan**, about whom he moves ridiculously, behaving like a playful and happy small boy, though dirty, fat and bearded. And no one is moved by the sacrilege committed with the memory of **Jose**

Marti, before whose statue the representative of Russian despotism deposited a wreath in the form of a hammer and sickle. And, in face of general indifference, **Raul Castro** and **Che Guevara** mock the U. S. flag. And **Fidel Castro** outrages the Cuban flag, placing alongside it and in a preferential position, that of Soviet Union.

And the same thing occurs when the permanently genuflected puppet **President, Dorticos**, bows so deeply that he becomes a mat on which the arrogant Moscovite wipes his insolent boots, splashed with the blood of millions of victims, with the tears and mourning of oppressed peoples and with the mud of steppes, and whom the traitors to their country who are wielding power in Cuba, receive as if he were their master.

And yet, around the whole of this tragic and grotesque picture, which produces pain, indignation and nausea, a heavy shroud of silence, indifference and conformity is wrapped, denoting at bottom a secret and incomprehensible cowardice.

By reason of it all, the contrast between certain exasperating sensibilities in the case of the Dominican Republic, and a suspicious dullness in face of ruthless forms of repression and vengeance like those that are savagely used daily in Cuba, there arises the preoccupying and anguished question: is it possible that the Communists have a right to oppress, jail, steal and murder, as they did in Hungary and are doing today in Cuba, helped by the general cowardice and complicity of those who maintain a guilty silence and inhuman indifference?

The Communist conspiracy in the Americas, against which I have been battling, and will continue to do so without pause or rest, employs, it must be recognized, intelligent factors, and carries out well coordinated plans which, on occasions, confuse public opinion, through malicious campaigns, often achieving their goal.

They are attempting something like this at the present moment. There is a small country with a brave people and a great and tranquil Chief, a Chief who will not abdicate, give up, surrender, and much less become afraid. This is the Dominican Republic. It is the Dominican people. It is **Generalissimo Rafael Trujillo Molina**. Thus, despite everything, the Dominican Republic will follow the course of its destiny, maintaining itself as an example to other nations as to how those who fight against the infamous Communist doctrine and keep themselves loyal to the fundamental of Christian morality and to the principles of human dignity to which Western civilization devotes itself, should adopt an upright and irreducible attitude.

PRAYER OF ST. FRANCIS OF ASSISI (1226)

Lord, make me an instrument of Your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is discord, union; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.

O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love, for it is in giving that we receive; it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.

Do we at **COMMON SENSE** subscribe to the above? We certainly do, every line. We hate no one but love **Jesus Christ** and **Our Country** sufficiently to prompt us to expose the **Marxist Anti-Christians** regardless of how clever they are or how they squirm.

ANTI-DEFAMATION LEAGUE SMEAR BACK-FIRES

FEARLESS AMERICAN PATRIOT

Congressman Francis E. Walter

In 1954 The American Jewish Committee prepared a bogus report and had a Zionist member of the staff of House Un-American Activities Committee leak this to Drew Pearson. The Zionists have used the columns of newspapers and every opportunity to convince the public that "Common Sense" has been condemned by the Un-American Activities Committee. We have answered this several times, especially in our issue No. 221 which is still available for the asking. Congressman Walter's letter (right) speaks for itself, but they will go on and on spreading false smears against us while our circulation increases.

Mr. D. P. Armstrong
834 S. W. 13th Court
Miami 35, Florida

Dear Mr. Armstrong:

This will acknowledge and thank you for your letter of April 8.

The report to which you refer, entitled "Preliminary Report on Neo-Fascist and Hate Groups", which carries the date of December 17, 1954, is one which was not finally approved by the members of this Committee of that session of Congress. As a result, it cannot be considered an official report of the Committee on Un-American Activities.

This is the reason why, when inquiry is made in connection with "Common Sense", that the response must be that it has not been cited by any official federal agency, nor has it been the subject of hearings. I hope that this will satisfactorily explain the situation to you.

With very best regards, I am

Sincerely yours,

Why Are Catholics Kept In The Dark?

The fully-informed know that radio, TV and newspapers are strictly controlled, by preventing whole truths from appearing in newspapers or discussed over TV and radio, an entire population is deliberately 'tranquillized' into submission, offering no resistance to the swift accuracy of the hangman's axe under the conspiratorial drive of Metropolitan Regional Government—the 'American' version of Soviet-Metro—more dangerous than commUNism—the most dangerous of all Centralist Movements—now taking place in every home town, in one or more forms. It may be slum clearance, rehabilitation, city manager or county manager government—the drive to eliminate counties and centralize county authority in a regional or state authority; it may be a move to remodel or modernize your state constitution; it may be a drive for more Authority. Whatever the drive for more concentrated authority may be in your community, you'll find the not-too-Hidden-Hand of "1313" behind that drive!

The tragedy is that no effort is made to warn Catholics about this hangman's noose—this made-to-order straitjacket—through Catholic magazines,—nor will the Church itself or its dignitaries—arouse Catholics to this deadly and frightful Satanic conspiracy now taking place right under their own noses! Why were Hungarians, Poles, Czechoslovakians, even Russia's Catholics and Christians, "overcome"? They had no advance warning! Just as Catholics here in this country have no advance warning! We look for guidance from our Church and our priests—but our Church and priests remain silent—though keenly aware of the true meaning and full impact of the Marxist

drive.

Thus, America's bloodless revolution gains terrifying momentum with each passing hour; whilst Christianity—threatened with annihilation—offers no resistance. Few realize the Church itself maintains a "stained-glass" curtain over Catholics. Were it otherwise, were Catholics told—an overwhelming surge of resistance would have been evident long before these words were written. Alas, it boils down to "every dog for himself."

At long last, a tiny item appeared in the New York Times of Oct. 22, 1959. The substance was that Church leadership and vigorous Church objection should manifest itself with regard to Urban Renewal—and its cruel 'relocation' of low-income families, displaced by housing projects not being handled realistically.

Why is commUNism only discussed as it affects Hungary, Poland and other countries behind the Iron Curtain—and not emphasized as it attains Frankensteinian proportions here in our own country? Why is it there always seems time to campaign for monies for this or that worthy cause, but never time to organize lay groups for the purpose of 'awakening' Catholics, especially, to the 11th hour catastrophe about to swallow us—or bury us—under the atheistic boot! The Vatican states Catholicism cannot co-exist with communism! Yet—even at the 11th hour—in our own country—though we draw to the very brink of Totalitarianism—our Church, its priests and dignitaries — its Catholic magazines, its weekly bulletin-papers—studiously avoid the tiniest mention of Metropolitan Regional

Government—the most dangerous of Centralist Movements—as dangerous as Communism—now taking place in every home town. Witnessing for Christ will soon be the lot of all of us—whether we like it or not. A pity—a tragedy—our Church and its priests remain frozen in their tracks, almost a betrayal to Christianity itself!

"ANTI-SEMITISM" SMEAR

—o— Continued from page 1 —o—

inence was registered in no uncertain terms in the material available in the Library of Congress.

And furthermore, the National Archives of the United States, Great Britain, France, Netherlands, Belgium and other countries, have made available countless official documents and records, also confirming the claims by so-called "Jews" between 1917 and 1945, for exclusive authorship of communism, and for establishing the 1917 revolution in Russia, which unloosed communism upon an unsuspecting world. This data shatters the illusion of Christians before 1945 that the Soviet Union was a "Utopia" and "a workingman's paradise." Christians have learned a lot about communism since 1945. The communist cat got out of the bag after the end of World War II.

In the 1880's, Christians in eastern Europe were compelled to adopt measures in self-defense against the rising tide of communism. Communist aggression against Christianity was increasing rapidly under the leadership of so-called "Jews" as the "spearhead" of "revolutionary activity." Christians aimed to preserve the Christian political, economic and social systems in eastern Europe. The term "anti-Semitism" was coined by so-called "Jews" at that time. They aimed to silence Christians who opposed communism by smearing them as "anti-Semites." Christians had been brainwashed that the so-called "Jews" were survivors of the Semite "race", "religion" and "nation" which gave Christians their Semite Lord and Saviour, Jesus Christ, and consequently it was un-Christian for Christians to dislike so-called "Jews."

"JEWS" NOT SEMITES

It is an undeniable fact that Jesus Christ was a "Semite" in the true sense of the term. It is equally an undeniable fact that the so-called "Jews" were not "Semites" in any sense of the word, by any stretch of the imagination, nor were their ancestors, back to the beginning of time "Semites" either, according to the *Jewish Encyclopedia*, Volume IV, pages 1 to 5, and every other authentic history of the so-called "Jews" under consideration here.

WHAT IS A "SEMITE?"

What is the correct meaning of that word?

Noah had three sons, Japeth the legendary ancestor of the European populations, Ham the legendary ancestor of the African population and Shem the legendary ancestor of the Middle East population. The name "Shem" became "Sem" in Greek and Latin when the legend of Noah was accepted by the Greeks and Romans. In 1781, Professor August Ludwig von Schlosser, a professor in Gottingen University in Germany, in writing about language-groups coined the word "Semitic" to describe the language-group spoken by the legendary descendants of "Sem", the nations in the Middle East, who spoke many languages with similar vocabularies and similar grammar structures. Prior to 1781, the term "Semitic" did not exist in any language of the world. The term "Semitic" did not infer or imply race, religion or nationality. The terms "Semite" and "Semitism" did not yet exist in any language of the world.

In 1899, Ludwig Bamberger was recognized as the world's leading authority on

this subject, and was himself a so-called "Jew." In his "Memoirs," Ludwig Bamberger stated that in 1858 the term "Semitism" had "not yet been invented." In 1881 a leading authority on this subject published in the "Allgemeine Zeitung des Judenthums" that "anti-Semitism" was "a designation which recently came into use." In the same publication in the same year, another authority published the fact that "anti-Semitism" is a "quite recent" designation that was "hardly three years old." The first appearance of the word "anti-Semitism" in print appeared in 1880 in Wilhelm Marr's collection of articles on that subject.

A TERM WITHOUT MEANING

In the 1880's so-called "Jews" coined the term "anti-Semitism" from the term "Semite." In view of what the term "Semite" meant, it is not certain what the term "anti-Semitism" can mean. It must be apparent that it is meaningless, misunderstood and misused, if it was intended to mean a dislike for so-called "Jews." There was no necessity to coin a term to express a dislike for so-called "Jews" because such a word already existed in the dictionaries, and was then in use by so-called "Jews", including the Chief Rabbis of leading European countries.

JUDAEOPHOBIA CORRECT TERM

Prior to the 1880's the dictionary term for a person who disliked so-called "Jews" was "Judaephobe." The dictionary term for dislike of so-called "Jews" was "Judaephobia." The Chief Rabbi of England, Herman Adler in *Electic Magazine* XXXV in 1882 states on page 205. "The most rabid Judaephobe," and on page 196, "Recent phases of Judaephobia." Thousands of other quotations are available showing the use of "Judaephobe" and "Judaephobia" before "anti-Semitism" was coined. The so-called "Jews" evidently wished to discontinue the use of terms "Judaephobe" and "Judaephobia" because it drew unfavorable attention to the term "Judaeo", reflecting adversely upon so-called "Judaism." The use of the terms "Judaephobe" and "Judaephobia" put so-called "Judaism" on the defensive, whereas "anti-Semitism" put Christians on the defensive, as an enemy of Jesus Christ, the "Semite." But so-called "Jews" continue to use the term "Judaeo", as they do in the term "Judaeo-Christian", to which they attach more complimentary connotation as in their use of "Judaeo-Christian."

"JEWS" OF KHAZAR ORIGIN

The term "so-called 'Jews'" is used to describe the persons of Khazar origin who profess a religious belief called "Judaism" in modern times, and who conceived, created and cultivated communism. The term "Jew" was coined in the 18th century, as the English term for the Greek "Ioudaios" and the Latin "Iudaeus." The Greek "Ioudaios" and the Latin "Iudaeus" meant "Judean." Jesus Christ was mentioned either as a "Ioudaios" or as a "Iudaeus" in the original Greek and Latin manuscripts of the Bible from which the first English translation was made in the 14th century. When the first English translation of the Bible was made, the converted Khazars in eastern Europe were not known as "Jews." They elected in modern times to call themselves "Jews", based upon their allegation that if Jesus Christ was a "Jew" they were also "Jews", because they were allegedly "Semites."

CHRIST NOT A "JEW"

If Jesus Christ was a "Jew," there are no "Jews" in the world. If the descendants of the converted Khazars call themselves "Jews", Jesus Christ was not a "Jew." Inscribed on the Crucifix by Pilate was "Iesu Nazarenus, Rex Iudaeorum." Any first-year Latin student knows that "Iudaeorum" can only mean "of the Judeans," the Genitive Plural of the Nominative Single "Iudaeus," meaning "Judean" in Latin. Jesus Christ, in English translations of the Bible, is a "Jew" only in the sense He was a "Judean." The converted Khazars were not "Judeans," and neither they nor their de-

scendants can truthfully be called "Jews." The Middle East province of the Roman Empire called "Judea" ceased to exist after the fall of the Roman Empire. There are only "so-called 'Jews'" in the world today, there are no "Jews" in the world in the sense Jesus Christ is called a "Jew."

STOP USE OF FALSE TERM

Christians must do everything in their power to stop the use of the term "anti-Semitism." Christians must stop the use of the term "anti-Semitism" or permit the creeping-conquest of Christianity to take its toll. Christians can soon stop the use of the term "anti-Semitism." Christians should "Boo" speakers who use the term "anti-Semitism" in their presence. If this were done, they will soon stop using it. Christians should make no exceptions to that rule. Christians should write letters to newspapers, magazines, radio and television networks and local stations, motion-picture producers, their Congressmen and Senators, their other elected officials and religious publications. Protest against the use of the term "anti-Semitism." Protest you are not an ignoramus. Protest against their insult to your intelligence.

If Christians had the courage to use methods like those used by the Anti-Defamation League of the B'nai B'rith, the terms "anti-Semitism," "anti-Semitic" and "anti-Semite" would soon never be seen or heard again. If Christians want to see Christianity go down the drain, just do nothing to stop so-called "Jews" from using the terms "anti-Semitism", "anti-Semitic" and "anti-Semite." Christianity is worth saving from communism. Start the "Boo" campaign in your neighborhood today, and write letters whenever you see these terms in print. It is up to Christians to save Christianity. The so-called "Jews" will not do it for Christians, hardly!

Enclose a copy of this issue of "Common Sense" with your letter—you will help to SPREAD THE TRUTH.

Some people become excited when accused of being "anti-semitic," however ridiculous to those of us who know that all followers of Christ are considered "anti-semitic" by the anti-Christ forces.

Robert Donner, prominent Zionist writer, in the *REPUBLIC OF ISRAEL*, page 10, states:

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-semitism, of libel, of cruelty, of violent death."
